

HPC Park and Ride / Walk and Ride Centres - Applicable Bus Allowance

1. Purpose:

The intention of this document is to clarify the bus payment applicable to each of the HPC Park and Ride / HPC Walk and Ride centres. The Clarification outlines the method of calculating the mileage to site from the HPC Facilities to determine the correct bus allowance payment.

2. Scope:

This is applicable to all Employees covered by the HPC Sector Agreements that are required to use the HPC Park and Ride / Walk and Ride facilities. The nominated Site Agreements being - Civil Engineering Sector Agreement, Supervisory Sector Agreement, Site Operators Agreement, and the Engineering Construction Sector Agreement.

3. Outcome:

Currently within the HPC Sector Agreements the mileage calculation to determine the bus allowance is by the fastest route possible using the RAC Route Planner. The introduction of additional Park and Ride / Walk and Ride facilities - has highlighted that some of the routes, although being calculated correctly under the agreements, need to take alternative routes through operational reasons or due to the practicalities of using the fastest route option.

NNB EDF have undertaken a review of the HPC Park and Ride / Walk and Ride facilities and, based on the route information within the SPS Omnitimes Scheduling Package, have determined that from Tuesday 6th April 2021 or at the point of any revision the following shall be applicable.

Bus pick-up points may vary and change periodically so employers should identify the pick-up point for their personnel and use the calculation for the bus harmonisation payment contained within the HPC Agreements. Pick-up points are currently along the bus routes from J23, J24 and J25.

The following distances only shall be used for payment of the bus allowance and constitutes a revision in the Sector Agreements relating to the Scope above.

Miles over	Miles not over	Park and Ride	Miles
35		Bristol Airport Terminal	36.50
30	35	Minehead (Warren Road)	30.30
25	30	Worle (Station)	29.80
25	30	Brean Campus	25.40
20	25	Taunton (Bus Station)	22.20
20	25	Taunton (A38: Old Hospital)	22.50
20	25	Burnham-on-Sea	21.20
20	25	Washford Cross	20.52
17	20	Junction 25	19.60
14	17	NOT APPLICABLE	N/A
11	14	Junction 23	13.99
11	14	Moorhouse Farm	13.98
11	14	Junction 24	12.60
11	14	Bridgwater Sedgemoor Campus	12.27
11	14	Bridgwater Bus Station	11.70
8	11	Quantock Lakes	10.25
8	11	Mill Farm	9.70
2	8	Cannington	7.96

Note: The revision, dated 15th March 2021, to the calculation of mileage from nominated Park and Ride/ Walk and Ride facilities did not support any backdating claims prior to Tuesday 6th April 2021 or from implementation dates listed below in the revisions.

Routes may also vary on occasion for operational reasons however the mileage will be calculated using the mileage in the table shown only.

Note: On commencement of employment the employee will be given a designated pick-up point for the bus service to site. Should an employee change their place of residence and be reallocated a different bus pick-up point then it is the obligation of the employee to inform their employer of the change and provide evidence if required.

1st Revision

Bus pick-up points for Worle and Burnham-on-Sea were added to the list of Park and Rides on 8th February 2022 and utilise the fastest route as per the HPC Agreements.

2nd Revision

The following changes were made and are applicable from 4th July 2022.

1. Bus pick points were introduced for Mill Farm and Minehead. The calculation for the Minehead fare is to the final drop off point at the West Somerset College on Bircham Road.
2. The Worle bus from the park and ride has been re-routed through Burnham-on-Sea to enable pick-ups along route. This has increased the mileage as a result.
3. The Burnham-on-Sea bus now takes a more direct route because of changes to the Worle service.

3rd Revision

Bus services from the Brean Campus (Pontins Site) were added and the bus service from Worle changed services to travel direct to site instead of via Burnham-on-Sea. The Burnham-on-Sea Bus now includes pick-up points.

Taunton has 2 bus services, so clarification has made the Taunton Services more specific.

Minehead Service now runs from Warren Road.

Moorhouse Farm now included.

Bus Service from Bristol Airport added.

These changes came into effect on 2nd January 2023.

Duty on employee to inform employer of any changes added.

Note: All pick up points have now all been identified, and attached in Appendix 1, and will be provided to the Project Auditors for use. This clarification will now be updated annually, and any changes will be effective from 1st Monday in January in line with the agreements.

4th Revision

The Bridgwater North and Bridgwater South services were added for travel during off-peak periods and at weekends only. Employees that can only use this service to travel to site, as no other route is available at the time of travel that enables them to arrive in time for their shift start, will be entitled to the payment associated with those mileages.

The T Bus service from Taunton has been re-routed to include additional pickup points and no longer goes to J25.

These changes came into effect on 1st June 2024.

Appendix 1 - All Bus routes with Pick-Up Points.

Bus Route	Bus Stop	Latitude, Longitude	Miles to site
